

NOTICE

DEPOE BAY RESIDENTS & BUSINESS OWNERS

**Please Be Aware the
City of Depoe Bay will be
Flushing the Fire Hydrants & Water Mains
Starting Feb. 8th, 10 p.m.**

This maintenance exercise needs to be done once a year. You may experience brown water from iron. This condition will disappear as we flush the lines. You should not do laundry if brown water is present, it may discolor the clothing. Open up your faucets to clear your water lines.

The crew will begin on the south side of town and move north.

We estimate it will take 3 to 4 nights to complete the Flushing Program.

We apologize for any inconvenience this may cause and will do everything possible to keep the disruption to a minimum.

Thank You for Your Patience!

City of Depoe Bay Water Department
