TRANSPARENT OCCUPATION REQUIREMENTS

Applicant Name: _____

Proposed Business Address: _____

City Ordinance No. 236 defines “transparent occupation” as the regular or continuing use of a dwelling for business purposes which is customarily incidental and subordinate to the residential use of the dwelling, involving the sale of goods and/or services or any other form of work product, provided the sale, service or process of creation of product meets the certain standards. Please acknowledge that each of the following standards will be met by putting your initials in the spaces provided:

_____ There will be no business-related vehicular or pedestrian traffic, including customers or delivery persons (other than US mails or package delivery services).

_____ There will be no on-premise sign identifying the business or off-premise sign identifying the street address of the business.

_____ There will be no noise, lights, dust, smoke, odors, or electromagnetic frequencies generated which interfere with surrounding residential or commercial uses (i.e., interference with telephone, television, radio, or computer).

_____ There will be no commercial vehicles (i.e., trucks, vans, or trailers) parked on the premises or within two blocks on the street which identifies the business.

_____ There will be no storage or use of any materials which present an increased risk of hazard or danger to the dwelling, the premises, or surrounding structures as compared to domestic use products found within dwelling (i.e., explosions, pollution generation, or fire).
