13 I. CALL MEETING TO ORDER AND ESTABLISH A QUORUM

14 Mayor White called the meeting to order and established a quorum at 6:00 PM.

15

16 II. PUBLIC SAFETY

17 Two representatives from TCB Security were present. The meeting was to discuss
18 potential services, infrastructure improvements, and equipment the City might acquire in
19 the interest of improving public safety. Desired services arrived at by consensus were:
20 County and City code enforcement (including noise, animals, parking, rubbish/trash,
21 zoning code, and curfew); reporting speeding cars; residential, business, and City
22 property patrols; security at special events; flexible hours of service, including longer
23 summer hours and shorter winter hours; definition of frequency of contractor reports and
24 what is to be documented; attendance at one Council meeting per month and possibly
25 Traffic Safety Commission meetings; ensure parked boats have purchased moorage; all
26 equipment will be provided by the contractor, including uniforms, a marked vehicle, fuel,
27 radios, and State certification (a Councilor asked if the patrol person would be armed;
28 Zimmerman responded they couldn't drive around without arms). A Councilor clarified that
29 the potential services would be advertised for bid submissions, and there was not any
30 agreement with TCB Security to provide services.

31

32 Staff was directed to create a Request for Proposal (RFP) for Council review and public
33 input. A workshop to discuss the draft was scheduled for April 20 at 6 PM. Murray will
34 contact the City's insurance company to inform them of this pending action and review the
35 City's enforcement ordinances.
