Depoe Bay RFPD Fire Chief Josh Williams was present in the audience and came forward to provide a briefing report on the nearby fire. His report included the following:
Oregon Department of Forestry (ODF) is the lead agency on the fire control effort; the fire was first reported around 6:00 p.m. August 22nd; it is 2 – 3 miles to the east of Depoe Bay, moving to the southeast; approximately 200- 300 acres are involved; there are 290 fire fighters here, camped at the Fogarty Creek State Park which is closed to the public; aerial fire-fighting has been ongoing today with helicopters and a plane taking water from the Siletz river; they are aware of the forecasted east wind event; the main land access to the fire is Collins Street; ODF will be here for at least a week; the city is safe for now; the city's park may be needed as a backup camp site if Fogarty Creek State Park becomes too crowded; there will be increased traffic through town; anyone who did not receive the telephone alert they can sign up through the Lincoln County Sheriff's Office. In answer to a question from the audience, Williams assured everyone that there is no reason to cancel the annual Salmon Bake in September, this year is quite different than last year.
