

Depoe Bay Near-Shore Action Team
Community Meeting – Depoe Bay – Otter Rock Pilot Marine Reserve
Thursday, April 29, 2010 – 6:30 pm
Depoe Bay Community Hall

Meeting Summary

PRESENT: Vice-Chair L. Robison, R. Hageman, J. O'Brien, T. Ray

ODFW Project Team: Cristen Don
City Staff: Pery Murray

At 6:40 pm, Robison welcomed audience members and introduced NSAT members and ODFW staff. He explained the purpose of this meeting is to provide information on Community Working Groups for the Otter Rock Pilot Marine Reserve. Handout materials available for interested persons are: background info sheet/NSAT, Announcement for Volunteers and Otter Rock Pilot Marine Reserve Community Working Group Application. Members provided a brief history including the need for volunteers to serve on the Community Working Groups as the management plan for the reserve is developed. Don provided information on state legislation (HB 3013) and requirements imposed upon ODFW by that legislation to develop marine reserve management plans.

Edward Barrilleaux, Jr. (present in the audience) completed and submitted an application to serve on a Community Working Group. Edward Barrilleaux, Sr., Manager - Inn at Otter Crest, offered a meeting room as a place for the upcoming Otter Rock community meeting.

The meeting ended at 7:15 pm.
