

OTTER ROCK MARINE RESERVE COMMUNITY WORK GROUP – BIOLOGICAL/SCIENTIFIC  
Meeting Notes/Summary

Date/Time: Thursday, February 17, 2011 – 3:30 PM

Location: ODFW South Beach Annex – 3238 Ferry Slip Rd., Newport, OR

Present: Jim Burke, Paul Erskine

Staff: Alix Laferriere (ODFW)

The Group met at Hatfield Marine Science Center to attend a seminar titled “Flexible methods for Rapid Mapping of Marine Habitats and Fish Presence Using Towed Underwater Video”. Speaker Kim Gould, Aquatic Biologist, SWCA Environmental Consultants. Host Mattias Johansson.

After the seminar, Alix reported on last week’s unsuccessful attempts to install the sensor plate at the marine reserve and the new plan for installation.

Attending future seminars at Hatfield was discussed.

Meeting ended at 5:00 p.m.
