23

24 IV. PUBLIC HEARING ITEMS  
25

26 A. Case File: #1-VAR-PC-16  
27 Applicant: Ron Walters  
28 Agent: Dustin Capri, Capri Architecture  
29 Application: Variance to Off-Street Parking Requirements  
30 Zone, Map and Tax Lot: C-1 Retail Commercial Zone, 09-11-05-CD #00200  
31 Location: 167 N. Hwy. 101  
32

33 Hageman stated he would not explain the Public Hearing procedure because the Agent was very familiar with the  
34 process.  
35

36 Hageman said Testimony and evidence given must be directed toward Criteria described by the City Planner, or  
37 other Criteria in the Code that the Testifier believes apply to the request. Failure to raise an issue, accompanied  
38 by statements or evidence sufficient to afford the Commission and the parties an opportunity to respond to the  
39 issue precludes appeal to the State Land Use Board of Appeals on that issue. Application materials or other  
40 evidence relied upon by the Applicant had been provided to the City and made available to the Public.  
41

42 Hageman asked if any Commissioner had ex-parte contact, conflict of interest, or bias to declare. There was  
43 none.  
44

45 Hageman then asked if anyone had objection to any Planning Commissioner hearing the Case. There was no  
46 objection.  
47

48 Lewis announced that the Applicant, Ron Walters, was unable to attend tonight's meeting due to the inclement  
49 weather (12 plus inches of snow in the Portland Metro area), the Agent/Architect, Dustin Capri, is here on his  
50 behalf.  
51

1 Lewis summarized the Staff Report (copy attached to original of these Minutes). Lewis clarified at the request of  
2 a Planning Commissioner that the previous use (retail and the residence) relied on the parallel Hwy. 101 Parking.  
3 There was no Written Testimony.

4  
5 Hageman asked if the Commissioners had any questions to address to the City Planner. Brief discussion ensued  
6 regarding the Building Permit Application (renovation of an existing structure on the subject property) submitted  
7 for review by the Planning Commission at the November Meeting.

8  
9 The Agent, Dustin Capri, 747 S.W. 13<sup>th</sup>, Newport, came forward to answer questions from the Planning  
10 Commission. There was none.

11  
12 There was no Testimony in favor or opposition of the Application.

13  
14 There was no request to Keep the Record Open. The Public Hearing was closed and deliberations began.

15  
16 The Planning Commission and City Planner discussed the following: (1) Setting a precedent; (2) A prior Parking  
17 Variance granted (10-12 years ago) for a Change of Use (seafood market to a restaurant); (3) Ensuring that all  
18 alternative parking opportunities have been exhausted; (4) Parking is not an issue this time of year, unlike peak  
19 tourism season; (5) Retail businesses have failed in that location resulting in an empty storefront over the years;  
20 (6) Clearly identifying in the Findings – *The proposed tourist accommodation uses significantly reduces the*  
21 *number of required parking spaces (nine to two) as opposed to the existing retail and single-family dwelling non-*  
22 *conforming uses. The Applicant is not proposing to increase the size of the structure; (7) The City Planner’s*  
23 *recommended Condition of Approval Item 3. Any future change of use will require adherence to DBZO Section*  
24 *4.030 Parking Requirements.*

25  
26 Motion: Speer moved to approve Case File #1-VAR-PC-16 (Variance to Off-Street Parking Requirements) and  
27 adopt the Conditions of Approval (Items 1. Thru 3.) as recommended by the City Planner and the clarifications in  
28 the Findings as discussed by the Planning Commission. Taunton seconded.

29  
30 Hageman said it was moved and seconded, and called for discussion. There was none.

31  
32 Vote: Motion passed.

33 Ayes: Speer, Hageman, Hayes, Taunton, Steinke

34  
35 It was the consensus of the Commission to direct Lewis to prepare the Findings, Conclusion and Final Order for
